**2011 MBA BORAL EXCELLENCE IN BUILDING AWARDS PROFESSIONAL CONSULTANT OF THE YEAR  
MR. AARON STILL – AARON STILL CONSULTING PTY LTD**

Our company has been working with Aaron for over 5 years on various multi-unit residential developments for the ACT Government and Goodwin Aged Care Services Ltd. Aaron has acted as Cost Consultant on these projects and has displayed a very high degree of professional conduct and competence. He is highly experienced and capable in the areas of construction cost planning and cost reporting.

On all our projects Aaron has been able to add value across many disciplines particularly in the areas of design and construction cost efficiency. He has also demonstrated a powerful capacity to forecast costs in response to activity in the market place. He is also very good at responding to the Client's needs and ensuring that the project budgets adequately address the project objectives.

On all occasions Aaron is a pleasure to deal with. He is an important member of our project teams and is willing to assist in any way at any time. We believe that this blend of skills, experience and professional qualities is rare amongst today's professional consultants.

We are proud to support Aaron's nomination as the 2011 MBA Boral Excellence in Building Awards – Professional Consultant of the Year.

Yours Sincerely,  
**CAPEZIO & CO PTY LTD**
