To Whom it May Concern

Dear Sir/Madam

**2011 MBA Boral Excellence in Building Awards – Professional Consultant of the Year
Reference – Aaron Still**

Aaron Still is recognised as one Canberra's most professional and articulate cost planners.

I have had the pleasure of working with Aaron in both my current capacity as Chief Executive Officer of CHC Affordable Housing, and in previous roles within the development sector over a seven-year period. In this regard, I have had the unique experience of watching Aaron develop his skills through the different stages of his career – most recently as Director of Aaron Still Consulting.

Aaron always provides sound and timely advice to his clients - and indeed - often provides service beyond that of a cost planner in order to add true value to the overall development process. He is a strategic thinker, and understands the commercial imperatives that drive the development sector.

His demeanour provides Aaron with the ability to work well with a broad range of people, and allows him to articulate his concerns in a non-adversarial way. Aaron always holds confidence when challenged, and constantly looks for innovative solutions to complex issues.

Aaron is a worthy candidate for the 2011 MBA Excellence in Building Awards – Professional Consultant of the Year.

Should you wish to discuss this reference further, I may be contacted on telephone 6248 7716.

Yours faithfully

Craig Brennan
Chief Executive Officer
